

THROWBACK FEST JACKSONVILLE 2017

APPLICATION FOR MEDIA CREDENTIALS

Throwback Fest welcomes media representatives who want to provide coverage of the event. Media Passes are intended for currently working representatives of official media outlets only (i.e. newspapers, magazines, television, radio, etc.) with valid credentials from the outlet they represent. Passes are generally reserved for media outlets with whom we have partnered for advertising, sponsorship, or other promotion of the concert. A very limited amount of passes are available per event. Media interested in covering must be pre-approved through our credentialing process by completing the form below by the designated due date. Press credentials will only be provided on-site for broadcast news crews. Once your application has been approved you must provide an official company identification at the time of credential pick-up. Business cards are not acceptable. Requests received later than ten days prior to the event will NOT be granted. No walk-up request will be granted. Artist management typically dictates access to artists and rules during a performance. We reserve the right to approve, deny, and revoke a media pass at any time. Decisions are final and cannot be appealed. **Prior approval of credentials does not guarantee future approval. Please note that only two media credentials will be provided per media outlet. NO EXCEPTIONS.**

Your Name: _____
Name of Media Outlet: _____
Your Role (journalist, photographer, etc.) _____
Your Email: _____
Your Telephone: _____
Editor/Producer Contact Name: _____
Editor/Producer Contact Telephone: _____
Editor/ Producer Contact Email: _____
Event City: _____
If photos are being taken, what will they be used for?

When and where will the review be published, if applicable?

Please provide your plan for advanced coverage or examples of how your outlet has already promoted the event. If more space is required, use a separate page.
